

MANAGEMENT \$ENSE, FOOD SENSE

the *essential* guide to food service in your school

Want to manage your canteen more efficiently and profitably?
Then this is a **MUST HAVE** resource. Designed as a stand-alone resource as well as compatible with the TAFE Canteen Management Course.

Management \$ense, Food Sense is a training manual produced nationally by FOCiS (the national body representing all school canteens) with input from Canteen Associations in all States and Territories. It includes 150 pages of information (including recipes), templates and an interactive CD ROM which will allow you to develop your own Management Kit to improve the effectiveness and efficiency of your small business.
