Supporting healthy choices

Canteen Network Meetings

Dear Parent Body and Canteen Supervisor,

Canteen network meetings are all about talking and learning from the experiences of others. The best thing about network meetings is the agenda is set by you!

WASCA will bring all the relevant information and resources based on your requests. When you register simply tell us the **'hot topic'** you would like on the agenda. For example, the *Healthy Food and Drink* policy, StarCAP2, food safety and allergies, attracting volunteers, recipe costing, nutrition facts, menu planning and marketing.

Who should attend? The more the merrier - including canteen staff and volunteers, parent body representatives, teachers, Principals and school nurses.

Please register your attendance on 9264 4999 or wasca@education.wa.edu.au. Attendance is free of charge, a delicious afternoon tea will be provided and we will supply a range of resources for each participant.

All the best,
Megan Sauzier, Executive Officer
