

*Join WA schools who are reaping the rewards
for having menus containing a wide range of
'Green' foods*

The aim of StarCAP2 is to increase the availability, promotion and SALES of food categorised as 'GREEN' according to the Department of Education's Healthy Food and Drink policy .

Schools that promote and sell more than 60% GREEN foods are rewarded with a voucher to redeem for the Star Choice registered products, services or equipment for the canteen. Accreditation levels:

- 3 Stars – 60% or more of all sales are 'GREEN' = \$250
- 4 Stars – 80% or more of all sales are 'GREEN' = \$350
- 5 Stars – 95% or more of all sales are 'GREEN' = \$450

Come to StarCAP2 training and find out how your school can take on our voluntary accreditation program and be recognised for operating a fantastic canteen.
