### *Training to Reach the Stars*

StarCAP2 training is the first step on your journey to the stars. Training **must** be undertaken prior to commencing the Accreditation Program irrespective of any previous training.

StarCAP2 recognises and rewards healthy school canteens whose percentages of 'green' sales meet the requirements for accreditation and who meet the other essential criteria. It also provides incentive for others to work towards star status.

Cost to attend training \$15 per person for WASCA members or \$20 for non-members.
