## *Canteen Network Meeting Secondary Schools only*

Dear Parent Body and Canteen Supervisor,

You are invited to a network meeting specifically for secondary schools and district high schools. Canteen network meetings are all about talking and learning from the experiences of others and the best part is the agenda is set by YOU. Let us know when you RSVP if there are any topics you would like discussed.

We know that primary and secondary schools have very different needs that's why this Network meeting will focus on the specific issues and barriers facing secondary schools as well as celebrating the 'wins'.

**Join us for an afternoon to discuss items such as:**

- **sourcing volunteers**
- **portion sizes**
- **meal deals/combos**
- **teens desires for healthy choices**
- **whole school approach**

Who should attend? The more the merrier - including canteen staff and volunteers, parent body representatives, teachers, Principals and school nurses.

Please register your attendance on 9264 4999 or [wasca@education.wa.edu.au](mailto:wasca@education.wa.edu.au). Attendance is free of charge, a delicious afternoon tea will be provided and we will supply a range of resources for each participant.

All the best,  
Megan Sauzier, Executive Officer
