

EXPRESSION OF INTEREST: Girrawheen Senior High School Canteen Operator

Girrawheen Senior High School seeks an innovative and resourceful business owner to operate the school canteen in Girrawheen under a License agreement in line with the *Commercial Tenancy (Retail Shops) Agreement Act 1985*. The successful business will offer healthy food and drink options for the students and staff at specified break times, as well as the opportunity for provision of additional catering at school events. Operation may commence from 3 February 2020, however if this is not deemed achievable an alternative timeline may be considered.

The business will comply with the Department of Education's Healthy Food and Drink Policy and Criminal Screening Policy, in addition to utilising environmentally conscious practices in packaging and waste control.

The school offers a substantially discounted licence fee, particularly in the first years of operation, until the Canteen Operator has reached its full business potential. The school currently has an enrolment of approximately 450 students and a staff of 45 on any day, many of whom would potentially utilise the canteen services. Days of trade is open to negotiation, with a preference for five days.

A site tour will be available on request to view the canteen. To request an Expression of Interest package, please contact Justine McNaught-Conroy, Principal by email at justine.mcnaught-conroy@education.wa.edu.au.

Expressions of interest in writing are to be submitted no later than COB Monday 23 December. Late Expressions of Interest will not be accepted.
