

School Canteen Tender – Karrinyup Primary School

Tenders are called for the licence to independently operate our School canteen for the school year commencing early February 2021 and for a term of five years. 2021 enrolments will be approximately 525 students. We are looking for a dynamic, fresh and modern approach to school catering for our staff and students.

General enquiries and requests for a Tender Information Package should be made in the first instance by email and directed to claire.kane@education.wa.edu.au and include your phone number and other contact details. A site tour can be arranged.

Tenders must be submitted via email to the above address.

Tenders close at 3pm on 10th December 2020.
