

WASCA Team Profile

 <p>Pip Slaughter</p>	<p>Pip joined the WASCA Executive Committee in 2015 and has held several roles including, Committee Member and Vice President.</p> <p>Pip was previously the Canteen Supervisor at Winterfold Primary School where she became a StarCAP2 leader - achieving 5-star accreditation for numerous years.</p>
<p>Who inspires you and why?</p>	<p>I'm inspired by indigenous youth claiming their heritage through food and language.</p>
<p>What is your favourite cookbook, book or movie</p>	<p>It would be a close call between Simon Bryant's book 'Veggies' and Yotam Ottolenghi's book 'Plenty More'.</p>
<p>What do you believe is your most important role at WASCA?</p>	<p>My most important role at WASCA is bringing voices together about canteen service, through listening to needs and finding solutions that we can all share to improve outcomes.</p>
<p>Tell us your top tip for promoting healthy food</p>	<p>Giving the students a real say in the food choices has been invaluable in achieving a 5 star StarCAP2 rating for me at Winterfold Primary School and promoting healthy food.</p> <p>For example, students are invited to submit a recipe for inclusion on the canteen menu as part of the 'Winterfold Kitchen Whiz' competition. They reward a junior and senior winner each year - this means their recipe is added to the menu as well as an inaugural trophy.</p> <p>Peer recognition goes a long way!</p>
<p>WASCA recipe recommendation</p>	<p>I really like this recipe for Lemon myrtle pancakes. Dried lemon myrtle can be found at good food stores or online and can be used wherever you would usually use lemons.</p>
