

## WASCA Team Profile

**Scott Mosey**  
WASCA Executive Committee Member

*Scott joined the WASCA Executive Committee in 2021 as a Committee Member. He is the P&C President of Roleystone Community College who operate a Canteen five days a week for a school population of 850.*

*Scott has also been a State Councillor for the WA Council of State School Organisations (WACSSO) for a number of years and is a strong advocate for the partnership that WASCA and WACSSO have formed.*

**Who inspires you and why?**

As corny as it sounds, my children, the Mini Mosey's as I call them, are the ones that most inspire me. They are the reason I do the various volunteering roles I do. They inspire me every day with their curiosity, with their wonder, with their beautiful natures and with the way they already want to change the world for the better.

**What is your favourite cookbook, book or movie**

Open - Andre Agassi's Autobiography.

I'm not really a tennis fan, I was never an Agassi fan but this book is incredible. An amazing insight into the man, what it took to reach the top, what happens when you lose the passion for something and just what is possible when you rediscover your passion.

**What do you believe is your most important role at WASCA?**

My most important role will be to strengthen the amazing partnerships WASCA has, perhaps find new partnership and also to support the senior executive and the fabulous WASCA staff.

**Tell us your top tip for promoting healthy food**

I strongly believe that everyone, but most especially children, eat with their eyes. So my top tip is to simply make your healthy food look amazing.

**WASCA recipe recommendation**

The [Apple Jaffle](#) is an absolute winner in winter. I use raisin bread and cinnamon to top them off, they warm both body and spirit!
