

Halloween in the canteen

Halloween can be so much more than trick or treat! And it won't break the bank to get the canteen crew in on the fun.

Discount stores are great options for fun Halloween shopping on a budget

Don't forget to keep your decorations stored away for years to come!

Zombie brains

Cheesy mummies

Frankenstein grapes and apples

Rename some regular menu items into spooky Halloween hits:

- Green Goblin Smoothies (spearmint flavoured milk)
- Draculas blood (apple juice with a hint of beetroot juice)
- Cucumber slice ghosts (cut-out holes for a face)
- Zombie men (gingerbread with arms missing)
- [Toxic Waste Mac and Cheese](#) (recipe on WASCA website)
- Witches potion (hot chocolate or milo)
- Ghostly bananas (peeled bananas with sultana eyes)

After planning your **simple menu** and sorting the **decorations**, don't forget to **spread the word** that the canteen will be the ultimate Halloween hangout!
